

**REMARKS**

In the office action mailed February 25, 2005, claims 21-39 and 41-53 were pending for consideration. The Examiner has indicated that claims 21-39 were allowable. Claims 41-53 were rejected under 35 U.S.C. 102(b) and 103(a). Applicant appreciates the indication of allowable subject matter. Accordingly, the present amendment has canceled the rejected claims leaving only the allowable claims pending on the present application.

It should be understood that this amendment has been made solely for the purposes of expediting prosecution and allowance of the present application, and does not concede the correctness of the present rejections. Applicant expressly reserves the right to pursue any canceled or relinquished subject matter in a future application.
